- Trial strategy discussions
- Collecting and analyzing statistics
- Research and special studies on issues affecting individual cases or projects
- Preparing reports or documents
- Contacting or assembling witnesses

**Minimum commitment:** Twelve hours per week, six weeks; positions available spring semester, summer session and fall semester.

### How to apply:

## Certified Law Clerk Externships for Third- and Fourth-Year (Evening) Students

Direct courtroom experience is the goal of this semester- or summer-long externship, with a focus on courtroom trial skills. Under rules of the State Bar of California, law students who have completed courses in Civil Procedure and Evidence may make appearances in court under the supervision of a Deputy District Attorney. Assignments are available during both school semesters and also during the summer and are preceded by a one-day training session on how to conduct a felony preliminary hearing or a juvenile adjudication. Training is provided in January, May and August each year. Certified law clerks are assigned to the District Attorney's Central Operations Preliminary Hearing Unit and branch, area and juvenile offices around the county.

**Minimum commitment:** two full days a week; accommodation available for split summers. Full-time, semester-long externships are also available.

All volunteer law clerks and certified law clerk externs must pass a background investigation.

### Application deadlines:

- Mid-February for summer
- End of June for fall
- End of October for spring
